Dear Rich and Ed,

The California Reserve Peace Officers Board of Directors, Chuck and I, especially want to "thank you" both for all your support of the Annual Reserve Peace Officers Conference over the years. Throughout the 33 years we have been offering training for our Reserve, VIP and Search and Rescue volunteers you have been two of the most professional, supportive and best prepared instructors we have had the pleasure of working with.

As part of our final exit process from the conference we ask the attendees to evaluate many parts of the conference and to vote on their best class of the conference. We are very pleased to congratulate you both Rich and Ed as the instructor's for **Why Things Go Wrong in Policing the Best Class of the 2010 California Reserve Peace Officers Annual Training Conference** held in San Diego this year.

Once again we are pleased that we can always count on you for and being well prepared for each conference. And the support you have always given to CRPOA over the years. We hope to continue our association with you both for many years to come. Your plaque is on order and will be shipped directly to you both.

Congratulations..
